

UNLOCKING THE TRUTH

WHAT'S REALLY HAPPENING BEHIND THE DAVIS SCHOOL DISTRICT DOORS

..... TRY TO CONNECT THE DOTS

2020

Davis Voters Adopt Measure G

Davis School District property owners pay (parcel tax) \$235.56, generating \$3,423,163 annually for added teacher and staff compensation.
(increases yearly)

2024

Davis Voters Adopt Measure N
Continues Measure H

The Davis School District collects \$11.6 million annually in Davis parcel taxes
- \$798 per parcel -
to reduce class sizes and support educational programs and services.
*(increases yearly) **

2025

Trustees Adopt Fee Increase

Result: Buyers of newly constructed homes are charged \$5.17 per sq. ft.
- Example: \$10,340 on a 2,000 sq. ft. home -
SOLELY to fund the construction of **NEW** schools.

***“All revenue from this measure must be spent for the benefit of DAVIS STUDENTS ONLY.”**
*SOURCE: Full ballot text of **Measure N** by Yolo County Counsel Phillip Pogledich*

Where are these new school sites?
Covell Farms? No.
Willow Grove? No.
Nugget Soccer Fields? No.

.....

CAN YOU CONNECT THE DOTS??

Meanwhile... the School District:

Operates **2** elementary schools the Superintendent described as unneeded
Source: Statements by the DJUSD Superintendent, as reported in The Davis Enterprise.

Except

The School District imports daily **1,293** students from other districts in order to populate **2** unneeded elementary schools

Results: district spends \$5.2million for 52 additional teachers for the imported students plus operating costs
**See Measure N above*
